To,
The Principal
All Affiliated Colleges
Dr. B.R. Ambedkar University
Agra.

Dear Sir,

The incompleteness of result of students of your college is a well-recognized and long standing problem of the University. The efforts are being made for the last two years to reduce such problems by way of adopting modern examination system and computerizations. In this regards the University has successfully reduced such cases of incomplete results in last few years. It is this reason that results of examination 2015 are encouraging. The University have identified certain reason incompleteness of result and have prepared eight reports for your college. On completing such reports, the completing the results would be attempted at.

On the direction of the Vice Chancellor a team of experts from the Service Providing Agency 2015 and University Technical Staff will be visiting your college personally. These technical persons will deliver these reports and explain how would these reports be completed on the basis of document and information available with the college or would get the same from the students.

This letter is a letter of the Authority of the team which are being sent to your college or the nodal centre to help the colleges speedily completing the reports that would ultimately enable the University to complete the pending results at the earliest. Marksheets of the results completed in the above manner would be sent to your college by the registrar office.

We seek the cooperation of your college to the present team and to the purpose of their visit.

Thanking you,

Registrar
