A Step towards development & Security of "Aadhi Aabadi"

"International Women's Day" Celebrations at

Dr. B.R. Ambedkar University, Agra

Mar. 08, 2017

International Women's Day (March 8) is a global day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. International Women's Day is a time to reflect on progress, to call for change and to celebrate a role in their countries and community. Therefore, Institute of Home Science is organizing a workshop to encourage and determination by ordinary women who have played an extraordinary role in the history of their countries and community. This workshop will include lecturers on different field especially in Information Technology, Medical Science and Soft Skills.

So make a difference, think globally and act locally!

Make every day International Women's Day.

Do your bit to ensure that the future for girls is bright, equal, safe and rewarding.
