A regular student may choose Project Work from a list of optional papers available to them in final provided that he/she secures atleast 55% marks in Previous. However, this choice is not available to private students. Viva Voce is compulsory for regular and private students in final year.

Each paper of theory carries 100 marks with 20 marks as minimum passing marks and paper of practical, Project Work and Viva Voce Examination is of 100 marks with 36 minimum passing marks. A student is declared to have passed the examination if he/she secures 36% in aggregate and secures minimum passing marks in each paper in different heads such as Theory, Practical, Project Work and Viva Voce examination as are shown in the following tables. Condonation of grace marks to failed postgraduate students does not apply. A student fails to pass a paper if he/she is absent in that paper and the result is declared as Failed.

For passing in an overall examination it is essential to pass in every head of the course, namely, Theory, Practical, Project Work, Viva Voce examination that is to secure 36% in head totals. In case of subjects having practical papers, the marks obtained in head totals that is totals for Theory and Practical are shown separately on the Mark Sheet.

Division is awarded at 60%, 48% and 36% as first, second and third. The division grace rule remains same as it is for graduate courses.
